A major benefit that sets us apart from the competition: Composite (resin) fillings on all teeth

We are your source for Delta Dental plans that cover composite fillings on all teeth.

On other administrators' Delta Dental plans direct composite (resin) restorations are only benefits on anterior teeth and the facial surface of bicuspid. (These are the teeth that you see in a mirror when you smile). Any other posterior direct composite (resin) restorations are optional services, and Delta Dental's payment is limited to the cost of the equivalent amalgam restoration, with the difference being paid by the member.

Effective January 1st 2014 we changed our contract with Delta Dental to cover direct composite (resin) restorations as benefits available on all teeth.

Ask your dentist which filling material they use and recommend.
